

HEALTH EDUCATION ASSESSMENT PROJECT (HEAP)

June 9-11, 2008

THE MADISON CONOURSE HOTEL

One West Dayton Street

Madison, WI 53703

608-257-6000

Mission of the HEAP

The mission of the project is to develop effective health education assessment resources through a collaborative process, and to increase members' capacity to align curriculum, instruction, and assessment to improve student health literacy through improved health education instruction.

Meeting Objectives

By the end of the meeting, members will

- Be updated on the status and needs of the work of the HEAP
- Discuss the business of the HEAP and make recommendations for future directions
- Review new project materials and be trained in their use
- Review new developments in the HEAP Web-based Assessment System and other professional development technologies used to advance the mission of HEAP
- Actively participate in work sessions to advance new item development and to advance the HEAP's health and reading initiative
- Choose and actively participate in issues roundtables regarding challenges and solutions in implementation standards-based health education and assessment
- Develop state action plans to further implement standards-based health education and assessment
- Network with colleagues
- Have fun!
