

Teacher Quality and Improvement

e-Newsletter of the CCSSO Teacher Quality Network

November 10, 2005, Vol. 2, No. 16

The Teacher Quality and Improvement e-newsletter is a free publication from CCSSO focusing on efforts at the state and district level to strengthen teacher quality and school leadership, particularly in high-poverty, low-performing schools. The purpose of this newsletter is to provide links to recent reports, studies, legislative action, and news articles related to teacher quality and improvement efforts.

To submit a news item relevant to teacher quality and improvement at the state or district level, provide feedback, or subscribe/unsubscribe, contact Cindy Prince at cindyp@ccsso.org. If you are having problems reading this file, the PDF version of this newsletter is available at <http://www.ccsso.org/content/pdfs/TQINewsletter10Nov05.pdf>. All previous issues are posted on the CCSSO website at http://www.ccsso.org/whats_new/newsletters/teacher_quality_and_improvement/index.cfm.

The Teacher Quality and Improvement newsletter is made possible through generous funding from the Joyce Foundation.

SOME OF THE TOP STORIES

California voters reject Prop. 74, which would have lengthened time required to earn teacher tenure from two years to five

New digital professional development workshops available for teachers

- The U.S. Department of Education has developed a series of free online professional development workshops as part of its Teacher-to-Teacher initiative. Thirty-two courses are offered, primarily in reading, writing, mathematics, and use of data. Some additional courses are also available in art, history, science, and behavior management. For more information and a complete list of courses, see <http://www.paec.org/teacher2teacher>. To determine whether your state grants credit or continuing hours for Teacher-to-Teacher courses, see <http://www.paec.org/teacher2teacher/map.html>.

The Council of Chief State School Officers (CCSSO) is a nonpartisan, nationwide, nonprofit organization of public officials who head departments of elementary and secondary education in the states, the District of Columbia, the Department of Defense Education Activity, and five U.S. extra-state jurisdictions. CCSSO provides leadership, advocacy, and technical assistance on the major educational issues. The Council seeks member consensus on major educational issues and expresses their views to civic and professional organizations, federal agencies, Congress, and the public.

Our mission statement: The Council of Chief State School Officers, through Leadership, Advocacy, and Service, assists chief state school officers and their organizations in achieving the vision of an American education system that enables all children to succeed in school, work, and life.
