

Linking Policy for SchoolDataDirect.org

The Council of Chief State School Officers (CCSSO) permits links to the SchoolDataDirect.org home page and other content on SchoolDataDirect websites under the following conditions. The link should (a) clearly identify SchoolDataDirect as the source of all materials to which you link; (b) avoid suggesting in any way that CCSSO promotes or endorses any other individual's or entity's causes, ideas, websites, products or services, and (c) not use SchoolDataDirect content for any commercial purposes. Although CCSSO does not require you to request permission to link if you follow these conditions, we would appreciate knowing if you do link. Please send an e-mail to sddinfo@ccsso.org telling us who you are, the URL(s) where you have included a link to our materials and how we may contact you. We reserve the right to require removal of any link to our site. CCSSO does not permit framing of any content from the SchoolDataDirect website. By granting this limited license to link, CCSSO does not waive any of the rights or remedies otherwise available to it at law or in equity.
